AWARD is interested in seeking proposals from qualified and experienced Professionals to facilitate a Team Strengthening process for AWARD staff.

About AWARD
African Women in Agricultural Research and Development (AWARD) works toward inclusive, agriculture-driven prosperity for the African continent by strengthening the production and dissemination of more gender-responsive agricultural research and innovation. We invest in African scientists, research institutions, and agribusinesses so that they can deliver agricultural innovations that better respond to the needs and priorities of a diversity of women and men across Africa’s agricultural value chains.

AWARD is hosted by World Agroforestry (ICRAF), a member of the CGIAR that is headquartered on United Nations Avenue, Nairobi, Kenya.

We invite you to learn more about AWARD and World Agroforestry by accessing our web sites www.awardfellowships.org and www.worldagroforestry.org
