

**Congress Programme**  
**2nd World Congress of Agroforestry**  
**23-28 August 2009, Nairobi, Kenya**

**DRAFT Programme & Speakers**

**Saturday, 22 August 2009**

0900-1700 Registration at World Agroforestry Centre Headquarters

**Sunday, 23 August 2009**

0900-1700 Registration at World Agroforestry Centre Headquarters

**Day 1: Opening Day, Monday, 24 August 2009**

0700 Buses depart from hotels to UN conference facilities

**Plenary Symposium on Agroforestry – *The Future of Global Land Use***

**0830 Opening**

- Song by School Girls from Bahati Girls Secondary School in Nakuru.
- Agroforestry Film

**0900 Welcome**

Achim Steiner, UN Under-Secretary General and Executive Director, United Nations Environmental Programme

**0915 Introducing the Conference Theme**

***Agroforestry – The Future of Global Land Use***

Dennis Garrity, Director General, World Agroforestry Centre

**0930 Keynote address**

Nobel Prize Laureate Wangari Maathai, Green Belt Movement

**1000 Host Country Address**

President of the Republic of Kenya, H.E. Hon. Mwai Kibaki

*1130 Tea/Coffee Break*

**1200 Keynote address on Congress Theme 1**

***Agroforestry for an Ever-Green Revolution***

MS Swaminathan, Founder, M.S. Swaminathan Research Foundation

**1230 Keynote address on Congress Theme 2**

***Environmental resilience and agroforestry***

Richard Leakey, Chairman, Wildlife Direct

*1300 – 1400 Lunch Break*

**1400 Keynote address on Congress Theme 3**

***Key policy issues for agroforestry***

Sara Scherr, President, Ecoagriculture Partners

World Congress of  
Agroforestry 2009  
Nairobi Kenya 23-28 August

### **1430 Public-private partnerships and agroforestry**

Navin Sharma, ITC, India

### **1500 – 1630 Panel discussion**

#### **How can agroforestry rise to the challenges?**

1. Jan Heino, Food and Agriculture Organization of the United Nations (FAO)
2. Coosje Hoogendoorn, Director General, INBAR
3. Nyaga Mwai, Dairy Goat Association of Kenya
4. Aissetou Yaye, African Network for Agriculture, Agroforestry and Natural Resources Education
5. Ambika Upadhyay, ITC, India
6. Abdon Nababan, Secretary General, Indonesia's national indigenous peoples' organization (AMAN)

Moderator: Ravi Prabhu (UN-REDD)

*1630 – 1700 Tea/Coffee Break and Poster viewing*

### **1700 – 1830 Technical sessions**

Room 3:	Session 1A:	Multistrata agroforestry systems with perennial crops
Room 7:	Session 2:	Agroforests in humid tropical Africa
Room 9:	Session 3A:	Agroforestry in landscape-scale conservation strategies
Room 10:	Session 7:	Integrating genomics in agroforestry
Room 13:	Session 8:	Dryland agroforestry research and development
Room 14:	Session 19:	Carbon sequestration in agroforestry systems
Room 8:	Session 22:	Nutrient cycling and biological dinitrification fixation in agroforestry systems

### **1900 Welcome Cocktail at World Agroforestry Centre Headquarters**

2030 Buses depart for the hotels

## **Day 2: Tuesday, 25 August 2009**

0730 Buses depart from hotels to UN conference facilities

### **Theme 1: Food Security and Livelihoods**

0900 Opening and speaker introduction

#### **Keynote Address: Food Security and Livelihoods**

#### **Food production and the alleviation of poverty and declining livelihoods**

Namanga Ngongi, President, Alliance for Green Revolution in Africa (AGRA)

#### **0930 Agroforestry for generating income for smallholders**

Howard Shapiro, Mars Incorporated

#### **0950 The extent of agroforestry in agricultural landscapes**

Richard Coe and Frank Place, World Agroforestry Centre

#### **1010 Discussions and open questions from the floor**

*1030 Tea/Coffee Break and Poster viewing*

### **1100 – 1230 Simultaneous symposia**

#### **Symposium 1: Agroforestry tree-crop value chains**

Organized by Dagmar Mithöefer, World Agroforestry Centre

#### **Symposium 2: Domestication of agroforestry tree crops**

Organized by Roger Leakey

#### **Symposium 3: Adaptation to Climate Change**

Organized by PK Nair, University of Florida and Lou Verchot, Center for International Forestry Research (CIFOR)

**Symposium 4: Agroforestry Systems in Africa**

Organized by Steve Franzel, World Agroforestry Centre

1230 – 1300 *Lunch Break*

1300 – 1430 *Side Events*

**1430– 1600 Concurrent technical sessions**

Room 3:	Session 1B:	Multistrata agroforestry systems with perennial crops
Room 7:	Session 3B:	Agroforestry in landscape-scale conservation strategies
Room 8:	Session 4:	Agroforestry in Mesoamerica: current perspectives and challenges
Room 10:	Session 10:	Quantifying the role of agroforestry in modifying watershed functions
Room 13:	Session 21A:	Mitigation and adaptation to climate change
Room 9:	Session 24:	Integrating disciplines through agroforestry education
Room 14:	Session 25A:	Policy formulation and stakeholder engagement in natural resource management

World Congress of  
Agroforestry 2009  
Nairobi Kenya 23-28 August

1600 – 1630 *Tea/Coffee Break and Poster Viewing*

**1630 – 1800 Concurrent technical sessions**

Room 3:	Session 5:	Ecological sustainability: Panacea or Pandora's Box?
Room 7:	Session 6:	Ecopsychological bases of agroforestry system design
Room 8:	Session 11:	Agroforestry for salinity control and land rehabilitation
Room 13:	Session 12:	Riparian system effects on soil and water quality
Room 9:	Session 14A:	Agroforestry as a tool for landscape restoration
Room 10:	Session 25B:	Policy formulation and stakeholder engagement in natural resource management

**1830 Buses depart to hotels**

**Day 3: Wednesday, 26 August 2009**

**0730 Buses depart from hotels to UN conference facilities**

**Theme 2: Conservation and Rehabilitation of Natural Resources**

Chair: Achim Steiner

**0900 Opening and speaker introduction**

**Keynote address**

Climate Change and Agroforestry

RK Pachauri, Nobel Laureate and Chair, Intergovernmental Panel on Climate Change

**0920 Keynote Address**

Biodiversity conservation and agroforestry

Gustavo Fonseca, Global Environment Facility

**0950 Multi-functional Agriculture and the opportunities for agroforestry**

Implications of the International Assessment of Agriculture Knowledge, Science and Technology for Development (IAASTD) Roger Leakey, James Cook University, Australia

1015 Discussions and open questions from the floor

1030 *Tea/Coffee Break and Poster viewing*

### 1100 – 1230 Simultaneous symposia

#### **Symposium 1: Multifunctionality and Ecosystem services**

Organized by Meine van Noordwijk, World Agroforestry Centre

#### **Symposium 2: Land rehabilitation and Landcare**

Organized by Keith Shepherd & Tor-Gunnar Vagen, World Agroforestry Centre

#### **Symposium 3: Temperate Agroforestry systems**

Organized by M-R Mosquera-Losada, A. Rigueiro-Rodríguez, Dirk Freese & SAFE project staff (Spain, Germany, USA, Canada)

#### **Symposium 4: High-carbon stocks development pathways**

Organized by Peter Minang, ASB Global Coordinator, World Agroforestry Centre

#### **Symposium 5: Satoyama – A socio ecological production landscape approach to the sustainable use of ecosystem services and human development.**

Organized by Maiko Nishi, Scientific Assessment Coordinator, United Nations University, Japan and Anantha Duraiappah, DEPI, UNEP.

1230 – 1300 *Lunch Break*

1300 - 1430 *Side Events*

### 1430 – 1600 **Theme 2 Concurrent technical sessions**

Room 3: Session 9: Silvopastoral Systems: restoring ecosystem functions and productivity from farms to landscapes

Room 7: Session 13: Agroforestry in Europe and other temperate regions

Room 9: Session 14B: Agroforestry as a tool for landscape restoration

Room 13: Session 15: Biofuel Production Systems

Room 8: Session 26: Local knowledge in agroforestry science

Room 10: Session 31A: Rewards for environmental services of agroforestry

1600 – 1630 *Tea/Coffee Break and poster viewing*

### 1630 – 1800 **Theme 2 Concurrent technical sessions**

Room 3: Session 16: Participatory Tree Domestication for land rehabilitation

Room 9: Session 18A: Agroforestry, climate change and biodiversity conservation

Room 8: Session 27: The role of underutilized crops for agroforestry

Room 13: Session 28: Agroforestry based livelihood strategies for smallholders in the Amazon

Room 14: Session 29: Cabruca agroforestry system of Bahia, Brazil

Room 10: Session 31B: Rewards for environmental services of agroforestry

1830 Buses depart to the hotels

## Day 4: Thursday, 27 August 2009

Theme 3: Policy Issues

### **0900 Opening and speaker introduction**

Chair: Jan Heino

**Keynote Address: Angela Cropper, Deputy Executive Director, United Nations Environment Programme**

### **0930 Policymakers Panel**

Rita Sharma, India

Marc Dourojeanni, Peru

African experience (speaker to be confirmed)

10:30 *Tea/Coffee Break and Poster viewing*

### **11:00 Concurrent technical sessions**

Room 7: Session 17: Collective action for tree based rehabilitation of degraded lands

Room 10: Session 18B: Agroforestry, climate change and biodiversity conservation

Room 13: Session 20: Agroforestry and environmental amelioration

Room 9: Session 21B: Mitigation and adaptation to climate change

Room 8: Session 23: Agroforestry and reconciliation ecology

Room 14: Session 30: Socioeconomics, livelihoods, and island and coastal agroforestry

**1100: Agroforestry Policy Initiative (Closed session simultaneous with the concurrent technical sessions).**

1230 - 1300 *Lunch Break*

1300 - 1430 *Side Events*

**1430 - 1600 Plenary session**

**Mini-Symposium – The Way Forward – Energizing the next wave of agroforestry science.**

Discussion and confirmation of Congress outputs, global level action points, and key policy messages

Achim Steiner

Dennis Garrity

PK Nair

1600 – 1630 *Tea/Coffee Break*

**1630 – 1730 Closing Session**

**Short statements by Donors:**

Dr. Hansjörg Neun, Director, Centre for Agricultural & Technical Cooperation (CTA)

Dr. Shantanu Mathur, International Fund for Agricultural Development

Mr. Daizaburo Kuroda, Senior Councilor, Japan Minister of the Environment

**Venue for next congress**

**Vote of thanks**

World Congress of  
Agroforestry 2009  
Nairobi Kenya 23-28 August

## Day 5: Friday, 28 August 2009

Field Trips

### Side events

#### Monday 24 August

No Side Events

#### Tuesday 25 August

1300 – 1430

Room 8 Update on CGIAR Reform Process

Room 9 Conservation Agriculture with Trees

Room 10 Technology Transfer for Small Farmers and Private Woodland Owners - A North-South Exchange

Room 11 World Agroforestry Centre- Launch of Amazon Publications

Room 12 NaturallyAfrican: Bringing Together Africa's Natural Products Sector

Room 13 Producing Timber Abundantly, Efficiently and Sustainably: Agroforestry Revolution Changes Lives of an Entire Area in Northwest India

Room 14 An Environmental Approach to Water and Food Security for Rural Communities in Semi-arid Eastern Kenya: Sand dams, Trees, and Drought-resistant Crops

Meet in Conference Room 1 and then proceed to the World Agroforestry Centre for the side event on Soil Enlightenment: A study tour of the World Agroforestry Centre's Soil-Plant Spectral Diagnostics Laboratory

### Wednesday 26 August

1300 – 1430

- Room 7 Interactive agricultural information system: Weather surfaces
- Room 8 Innovative Partnership for Sustainable Land Management
- Room 9 Landcare
- Room 10 Measuring plant water use using the HRM Sap Flow Meter
- Room 11 Information sharing to global forest community
- Room 12 How Hot New Mexico Chile Peppers Fired Up My Project Management
- Room 13 World Forests, Society and Environment (WFSE) of IUFRO Policy Brief Launch
- Room 14 Methodology for avoided deforestation for the Voluntary Carbon Standard

### Thursday 27 August

1300 – 1430

- Room 4 The Potential of *Faidherbia* to enhance food crop farming systems in Africa
- Room 7 Information Communication Management to improve farmers' benefits from agroforestry research programs
- Room 8 How Hot New Mexico Chile Peppers Fired Up My Project Management
- Room 9 São Paulo State's Agricultural Research and potential agriculture cultures for Agroforestry Systems in Brazil
- Room 10 Locating Indigenous People's Rights in Mitigating Climate Change Impacts on Agroforest Landscapes
- Room 11 Agroforestry Producing Differently - DVD presentation in French with subtitles in English, Portuguese and Spanish.
- Room 14 Ecoagriculture Partners: Mobilizing Action Together
- Room 12 A Film to Understand the Issues of Agroforestry Today-DVD (tbc)
- Room 13 Agroforestry models
